

PARKING INFORMATION

Dear guests of the Alpenwolke,
We look forward to your visit to our clouds. Our clouds are located in the pedestrian zone (Rathausstraße 4/6, 87435 Kempten) - right in the centre of Kempten. Unfortunately, we cannot provide our own parking spaces.

There are 3 different options for parking:

1st option - cheapest option - if you need your car more often

<p>Public car park 'Am Pfeilergraben'</p> <p>(google maps: „Pfeilergraben, 87435 Kempten“ eingeben)</p>	<p>Here you can take a parking ticket from the machine on site. Chargeable from Mon. - Sat. from 09:00 to 19:00</p> <p>Costs: day ticket = € 4.00, monthly ticket = € 35.00</p>
---	---

2nd option - good conditions if the car is not used for a longer period of time

<p>'Am Rathaus' multi-storey car park in Kronenstraße</p> <p>(google maps: „Kronenstraße 16, 87435 Kempten“ eingeben)</p>	<p>1. For short stays, you can pay the ticket at the parking ticket machine. Costs: see notice in the car park</p> <p>2. For longer stays: For this car park we offer you exit (tickets) at special conditions. This means that if the car stays in the car park for several days, you only pay one exit ticket 'per exit'. You can get as many tickets from us as you like. Please let us know if you would like us to provide you with exit tickets. If you get several tickets from us, we will only charge you for the tickets that have been used (of course we need the unused tickets back ;-))</p> <p>Cost: Per exit ticket = € 9.50</p>

3rd possibility - with a bit of luck at a later hour

<p>Free parking spaces at the roadside</p>	<p>Of course you can look for a parking space on the roadside, these are almost always subject to a parking ticket - at least until 19:00. After 19:00 until 09:00 you may be lucky.</p> <p>Take a ticket from the ticket machine on site.</p> <p>Costs: See notice board</p>
