Welcome!

Dear guest,

We are pleased that you have chosen our **vacation home Weinklaus** and wish you a wonderful stay in Oberstdorf. We would like to give you some general information about the vacation home and an A-Z list with detailed answers to frequently asked questions of our guests.

The vacation home, more precisely the semi-detached house, is located in a **quiet residential area** on Plattenbichl in Oberstdorf in Alpenrosestraße.2B. The location offers a wonderful view of the Oberstdorf mountains and a good start to various attractions, such as the valley station of the Nebelhornbahn, the ice skating center and various shopping opportunities. For this you will find more detailed information in the A-Z list.

The house is a **self-catering house** and therefore without hotel services. However, we offer our guests the package „**mountain railroads unlimited**“ free of charge in summer from May to November. Thus, upon arrival, the mountain railway tickets are booked free of charge on your Allgäu Guest Pass and you have unlimited free travel on **numerous mountain railroads**.

You live on about **140 m², divided into three floors**. On the first floor you will find a large living room and an open kitchen with access to the terrace and beautiful garden. In the attic with open truss are two bedrooms. The third bedroom with double bed and possible pull-out couch is located in the basement. You can **park your car**, bike or motorcycle directly in front of the house and/or in the garage.

More detailed information on various aspects you will find in the following A-Z list. We are also always available for you by phone or personally through the Hotel Weinklaus (Tel. 08322/96930).

We wish you a wonderful time!

Family Nobis & Zens
