8 Regulations of radio equipment/ Radio frequencies

Short-term frequency assignment

Every frequency used in Germany needs a frequency assignment pursuant to the German Telecommunications Act (Telekommunikationsgesetz - TKG). Where no general frequency assignment has been issued, the Bundesnetzagentur will make individual assignments. If frequencies are to be used for a short term only, eg for motor races, sports events, concerts and trade fairs, assignments are issued in a simplified procedure as short-term frequency assignments. These are issued for a maximum period of 30 days.

Files can be sent to: ShortTerm@BNetzA.de

9. Regulations of Visa

Regulations of Visa:

Remember that citizens of some countries will need visa for visiting Germany.

Please check with your embassy if you need a visa for Germany.

For an official letter of invitation, please send a request to a.wiartalla@svg.ski

10. Special permissions for truck driving (Sunday and night, other days with special regulations)

Please note that vehicles over 7.5 t have to pay toll on German motorways. For further information about the costs please contact

Toll Collect (info@toll-collect.de)

Please notice: In Germany there is an obligation for snow tires!

To carry out important and necessary transports on Sunday and holidays an exemption permit is required for Germany. The LOC sent the application form to the respective driver/ company. Please return the application form to f.joas@svg.ski.

Driving permission will be sent out via mail and can also be picked up on site at the Race Office
